Fritz Voecks, representing Fox Valley Coin Exchange, of Kimberly, Wisconsin, announced that Fox Valley Coin would sponsor a scholarship to the annual A.N.A. Seminar in July of 1975.

Fritz made this announcement at the interim board meeting of NOW in Milwaukee last September.

The scholarship competition is open to any member of any NOW affiliated coin club. Member clubs are asked to submit one name from their club. The individuals from each club will be competing with those from other NOW clubs. The clubs are asked to submit the name of the individual in their club whom they think is most deserving of this honor.

The winner will be selected by a panel of judges selected from the NOW Board. The decision of the judges shall be final.

Fritz expressed the hope that this program would be continued in future years through donations by NOW member clubs.

Fox Valley Coin is operated with the help of Fred, Fritz, Randy and Mary Helen Voecks along with Kurt Krueger in Kimberly.

At the same meeting Kurt Krueger representing W.Y.N. announced that a similar contest would be in the offing for the benefit of junior members only.

Basic rules would be the same, with the only difference that the participants be 11 to 18 years of age. Krueger related that this would be a tremendous opportunity for junior members to become involved in the hobby.

The funds to finance this project are coming from the annual Numismafest, and through donations recieved from state coin clubs.

Both of these projects, which are under the supervision of NOW are aimed at creating a close tie between the local clubs and NOW.

Presidents Message-

Our organization's catchword slogan...NOW...I have always believed is much more than an appropriate piece of gimmickry. I've always felt it actually represented the dedication of our officers and membership to disposing of their responsibilities in an efficient and productive manner.

The report which follows on actions taken at the interim board meeting held in Milwaukee September 22 confirms, I believe, that none of this will to do has been lost through the aging process. The meeting was a busy, working session which has broken a lot of new ground.

One of the first items on the agenda was a review of planning for the 1975 NOW Convention slated for May 17-18 at the Red Carpet Expo Center in Milwaukee. Del Bertschy of the host Milwaukee Numismatic Society, who will serve as chairman of the event, presented a thorough report on the facility, bourse and exhibit plans.

Looking to the future, the board and the Madison Coin Club agreed in principle on the latter's hosting of the 1977 convention in Madison. At the present time the site for the 1976 show is open.

Pausing briefly to review the past, the board received a final accounting from the Waukesha Coin Club for the '74 state convention. It revealed a net profit of \$1172.35, in which NOW and the Waukesha club share on a 50-50 basis. Thus the show was both an artistic and financial success, leaving us very much indebted to the Waukesha club for their efforts.

The board undertook a thorough review of the NOW Constitution and By-Laws, to bring them up-to-date.

Major changes were approved by the board. These include: provision was made for the president and the vice president to hold office for two terms, presidential appointment of the NOW NEWS editor and secretary-treasurer to the executive board was endorsed, a requirement for the calling of at least three (3) executive board meeting dates during a year was incorporated, and the election rules were, revised and redefined.

The new Constitution and By-Laws as revised by the executive board were commended to publication in the first 1975 issue of NOW NEWS with a recommendation for their adoption by the membership at the 1975 Convention general meeting. You will individually have an opportunity to review them in their entirety, then, prior to a final vote on their adoption.

The board approved the absorption of the Young Numismatists of Wisconsin, (WYN), a service organization for the state's young coin collectors founded two years ago by Kurt Krueger, as a functioning branch of NOW. WYN will continue to be independently financed, but more guidance and leadership will now be provided by the parent organization.

Acting on a funding guarantee by Fritz Voecks of Fox Valley Coin Exchange, of Kimberly, the board endorsed the sponsorship of a scholarship for the attendance of a state collector, adult or junior at the 1975 Summer Seminar of the American Numismatic Association. Each member coin club in the state will be invited to nominate one of its membership for the scholarship, with the final determination to be made by the board at its Milwaukee Convention meeting.

Virgil Jackson has been appointed chairman of a committee to revise and up-date the official NOW

exhibit package. Jackson and his committee, Gene Johnson and Leo Neidinger, plan to complete their work by early 1975, and it is expected that a new stock of the packages will be available by late spring.

The question of instituting a life-membership classification was discussed at the September board meeting. Further action on this proposal was deferred pending its study by a committee headed by past president Richard Anderson. The question will be acted upon at our winter board meeting.

Ken Bressett, as chairman, presented a detailed outline for the NOW Speakers Bureau, which, it is hoped will be operational in early 1975. The Bureau will make qualified volunteer speakers available, to clubs for regular meetings and show educational programs.

Gordon Gill was appointed to the chairman-ship of a committee which is beginning the development of a NOW Exhibit Judges Pool which will be of similar purpose. In this instance, however, plans also call for the additional step of sponsoring annual convention seminars at which many participants can be schooled in the fine points of exhibit judging.

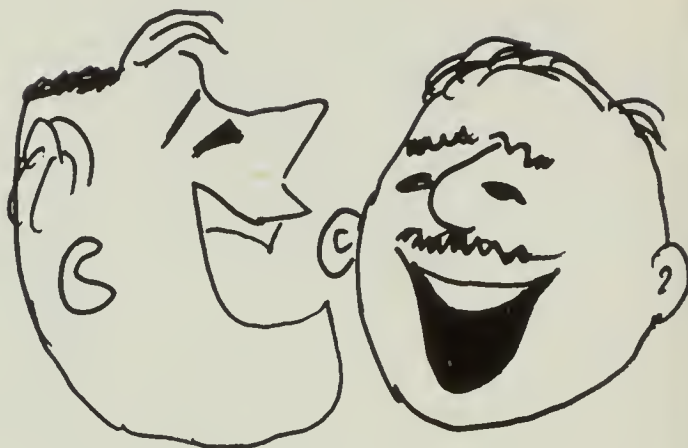

Obviously, a lot of NOW things, are happening these days. Beyond the scope of this review of what has gone before, I can report that the agenda is already filling for the next meeting of the executive board. There's always room for one more item, however, so let me know if you have something you feel is good for the order.

Cliff Mishler
NOW President

Speakers Bureau

Plans for the operation of the Numismatists of Wisconsin Speakers Bureau are currently being formulated, with an aim toward activating it in early 1975. The bureau is being established to provide qualified volunteer speakers for the use of clubs at their regular meeting and show educational programs.

Bureau chairman is Kenneth E. Bressett (1220 Mound Ave., Racine, 53402). Ken is presently seeking volunteer speakers willing to participate in this program. All prospective participants should write to him direct to convey information on the topics which they would be available to speak on.

Clubs wishing to draw speakers from this bureau will be expected to offer the following courtesies:

1. The desired speaker should be contacted no later than three months prior to the proposed engagement date and given full details concerning the time, place and type of program desired.

2. The speaker should be given an estimate of the anticipated attendance - which should be no fewer than twenty.

3. A suitable topic will be agreed upon between the club representative and the speaker. The moderator should acquire details about the speaker and his topic and properly introduce him to the audience.

4. Format and length of talk must be agreed upon and enforced. A program of 20-45 minutes duration is usually suitable, or 15-20 minutes is desirable when more than one speaker will appear on the same program.

5. The host club should be responsible for providing suitable sound and projection if necessary. A projectionist and, or assistor should be provided if requested. Suitable display cases should also be provided if requested.

6. The speakers should be given clear directions about the location of meeting place and furnished with local transportation if necessary.

7. Host club should reimburse speaker for travel, meals and also any lodging expences incurred.

ANA Awards

Kurt Krueger and Fritz Voecks, both members of the N.O.W. Board, were recently honored by the ANA during the recent membership drive contest during National Coin Week.

In separate letters to Krueger and Voecks, from A.N.A. Executive Director, Ed Rochette, the thanks of the American Numismatic Association were expressed. Excerpts of this letter follow:

"Without your help National Coin Week would not have been the success that it was. You and fellow members of the A.N.A. were responsible for enrolling over 1800 new members - a new record."

"As a token of appreciation and in recognition of your being in a group of less than 25 that signed up ten or more new members, please accept this silver National Coin Week 50th Anniversary Medal."

"It is as rare a medal as your service and dedication to the national association."

Both Krueger and Voecks have signed up nearly 100 A.N.A. members thus far in 1974.

Bertschy Honored

A.P. (Del) Bertschy, former NOW Board member of Milwaukee was recently honored by the American Numismatic Association.

Del recieved a bronze National Coin Week 50th Anniversary Medal, for participating in the annual N.C.W. exhibit for nearly four decades!

Del has been a frequent booster of numismatics and has earned the undisputed title of the "Dean" of Milwaukee Numismatists.

Hoffmans Honored

Rich and Ron Hoffman of Appleton were recently honored in the first subscribers exhibition contest of the National Commemorative Society for the fourth quarter of 1973.

The contest, which is conducted by mail, carried a \$250.00 dollar cash award and a paid-up life membership in the society.

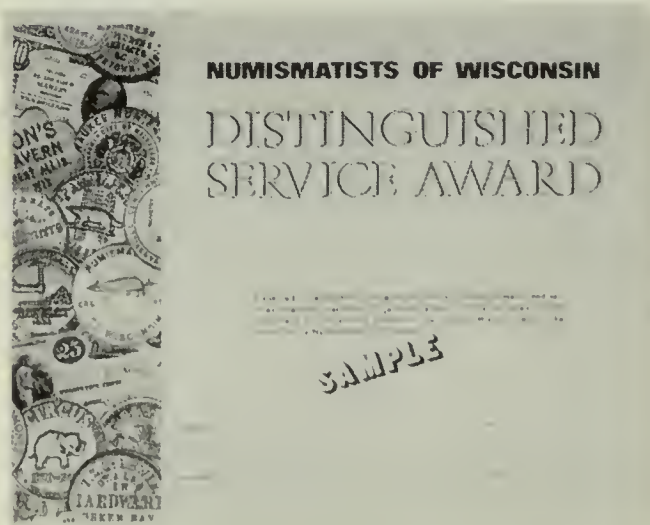

There are quarterly contests, with the four winners competing for the grand prize. In a recent telephone conversation with Rich he related that both "he and Ron were very surprised that they had been picked for this honor."

The Hoffman brothers have had many award-winning numismatic displays on the state scene. They are active members of the Fox Valley Coin Club of Appleton.

STATE MEDALS

The first silver strike of the Wisconsin American Revolution Bicentennial medallion was presented to Lt. Governor Martin Schreiber in September.

The medallion is the prototype of the sterling silver and bronze medallions which will go on sale in Wisconsin to support the activities commemorating the American Revolutionary War.

The medallion was designed by 18 year old Sue Scherer, a senior, at Brookfield East High School. She recieved a check in the amount of \$1,500 as the first place award offered by the Lincoln Mint.

Faces of the early residents of Wisconsin against an outline of the state occupy the obverse of the medal. Included are an Indian a French trapper, an English explorer and an early 19th century American soldier.

The reverse depicts the first Capitol Building in Madison, which was used between 1837 and 1857.

The medals will be sold in banks and savings and loan associations. Sterling silver examples will sell for \$15 and the bronze version will sell for \$4.50. The medals will also be available encased in lucite and as pendants on silver or bronze chains.

HEY DAD! WILL YOU LET US JOIN THE NEW WYN GROUP?

OSHKOSH COIN CLUB HISTORY.

A group of 9 adults and 2 young people met in the lecture room of the First National Bank Building on July 6, 1960. Their purpose was to form what is now the Oshkosh Coin Club.

Marvin Shaffer acted as Chairman at this meeting. Upon his recommendation, a committee was formed to draft a constitution and a set of by-laws.

The second meeting of this group consisted of 18 adult and 7 junior collectors. A committee was appointed to present two complete slates of names for officers of the fledgeling organization.

The first formal meeting of the club was held on August 3, 1960. The constitution and by-laws were adopted and Norm Blanchette, was named the founding President.

The first outside speaker to attend a meeting was Russ Porter of Milwaukee. Chet Krause and Gerald Johnson were also early visitors at educational programs.

Chet Krause spoke to the club on the idea of sponsoring a Jamboree as a means of raising funds for club projects. The club decided to hold its' first Jamboree May 18 1961. Russ Porter and Del Bertshy were among the first people to exhibit at the first show.

There were 16 dealers at the first show. Among these, Fred Voecks (Fox Valley Coin) and V.I. Payton of LaCrosse have attended every annual show. The balance of the Oshkosh Coin Club nostalgic bourse list from 1961, included Willis Williams, Marv Shaffer, PK Williams, Les Koepke, Russ Selig, Gordon Gill, Ray Bertler, Upper Mid-West Coin Dealers, Fred Smair, Paul Sherer, Chet Kanouse,

Jake Simon, Aurora Coin Co., and Roy A. Miller.

The club started with 33 Charter Members, of which 5 were juniors. The club has shown steady growth, holding between 60 and 70 active members. The club has utilized 3 meeting places. After using the original meeting place for nine years, the club moved to the Public Museum. Since 1973, the club has met in the County Social Services Building.

Norm Blanchette was show chairman for the first 6 years, making him the most active member until his death in 1968. Another active member until her death in 1965, was Rose Luker, who served as club secretary since the inception of the organization.

Norm died of a heart attack and Rose died in a boating accident. These two members are remembered annually with traveling trophies bearing their names.

The Rose Luker Memorial Award is given out at the annual dinner each October to the person who has been picked as the most active in the club. The winners of this award have been: 1966 - Roger Simon (Junior), 1967 - Norm & Irene Blanchette, 1968 - Ron Metz, 1969 Bob Williams, 1970 - Dan Williams (Junior), 1971 - Rick Christl (Jr) 1972 - Bill Romans, 1973 - Howard Wilson (Junior), 1974 - Ron Saft.

Oshkosh Clubs Broken Bone Award!!!

It was recently announced that a new award would be made at the NOW show next May. The award will be made in the memory of Allan V.B. Clark.

Allan Clark, a dealer from 1959 until his death in 1971 resided in the Waukesha County community of Dousman. Allan Clark had attended many shows in Wisconsin and other mid-western states. He also made shows in California and Florida.

Allan was a frequent booster of youth in numismatics. He provided the basis for many of today's numismatists, according to NOW board member Harold Collins.

The award, which will become an annual feature, will be made to a senior member of the numismatic fraternity. Any adult residing in Wisconsin is eligible for the award, which will be a plaque.

The rules are that nominations are to be made by junior collectors. The nomination is to be made in the juniors' handwriting. The nomination should include the reason for the nomination, the name of the recipient, his or her address and approximate age.

Collins, in a recent telephone conversation, stated that as a young collector, Allan had helped him with his hobby. He had sold coins to him at a nominal price, he had taken him to coin shows and to coin club meetings and was always available with advice.

On December 8th, Collins will be holding a bourse at the Scotland Resort, in Oconomowoc, to kick off the award.

Odd's & Ends

by the editor

Halloween held a very special treat for my wife and I. His name is Kristofor Curt Krueger. He has already demonstrated an amazing interest in numismatics by grabbing for Kathy's gold coin ring at a very opportunity!

A banker friend of ours tells his story: A crusty old codger walked into the bank one day. He explained that he wanted to establish credit at the institution. He asked if it were possible to borrow a dollar for one year. Our friend stated that it was unusual, but that it could be arranged. The

old man offered a \$1,000 bond as collateral. He then paid the 7¢ interest fee in advance! A year later, when the old fella came to renew the loan, our friend became very curious. He asked the old gent why he was renewing the loan? Well, he drawled, its like this, before I took out this loan, I had to spend \$5.00 a year to keep my bond in a safety deposit box. Now all it is running is 7¢ - how can you beat that?

Many thanks to Robert F. Krueger Mike Segersin, Harold Helm, Krause Publications, Western Publishing Company and Fox Valley Coin for their parts in helping me to bring NOW News to you.

Who is This?

This man started collecting old coins about the time this picture was made. I will send \$5.00 to the first person who can identify him. Relatives and very close friends are not eligible. Have a good time figuring this out!
